SHADOW GAP - PRO LIGHT | PROFILE

Pro Light | Profile

SHADOW GAP - PRO LIGHT | PROFILE

Application: Ceiling

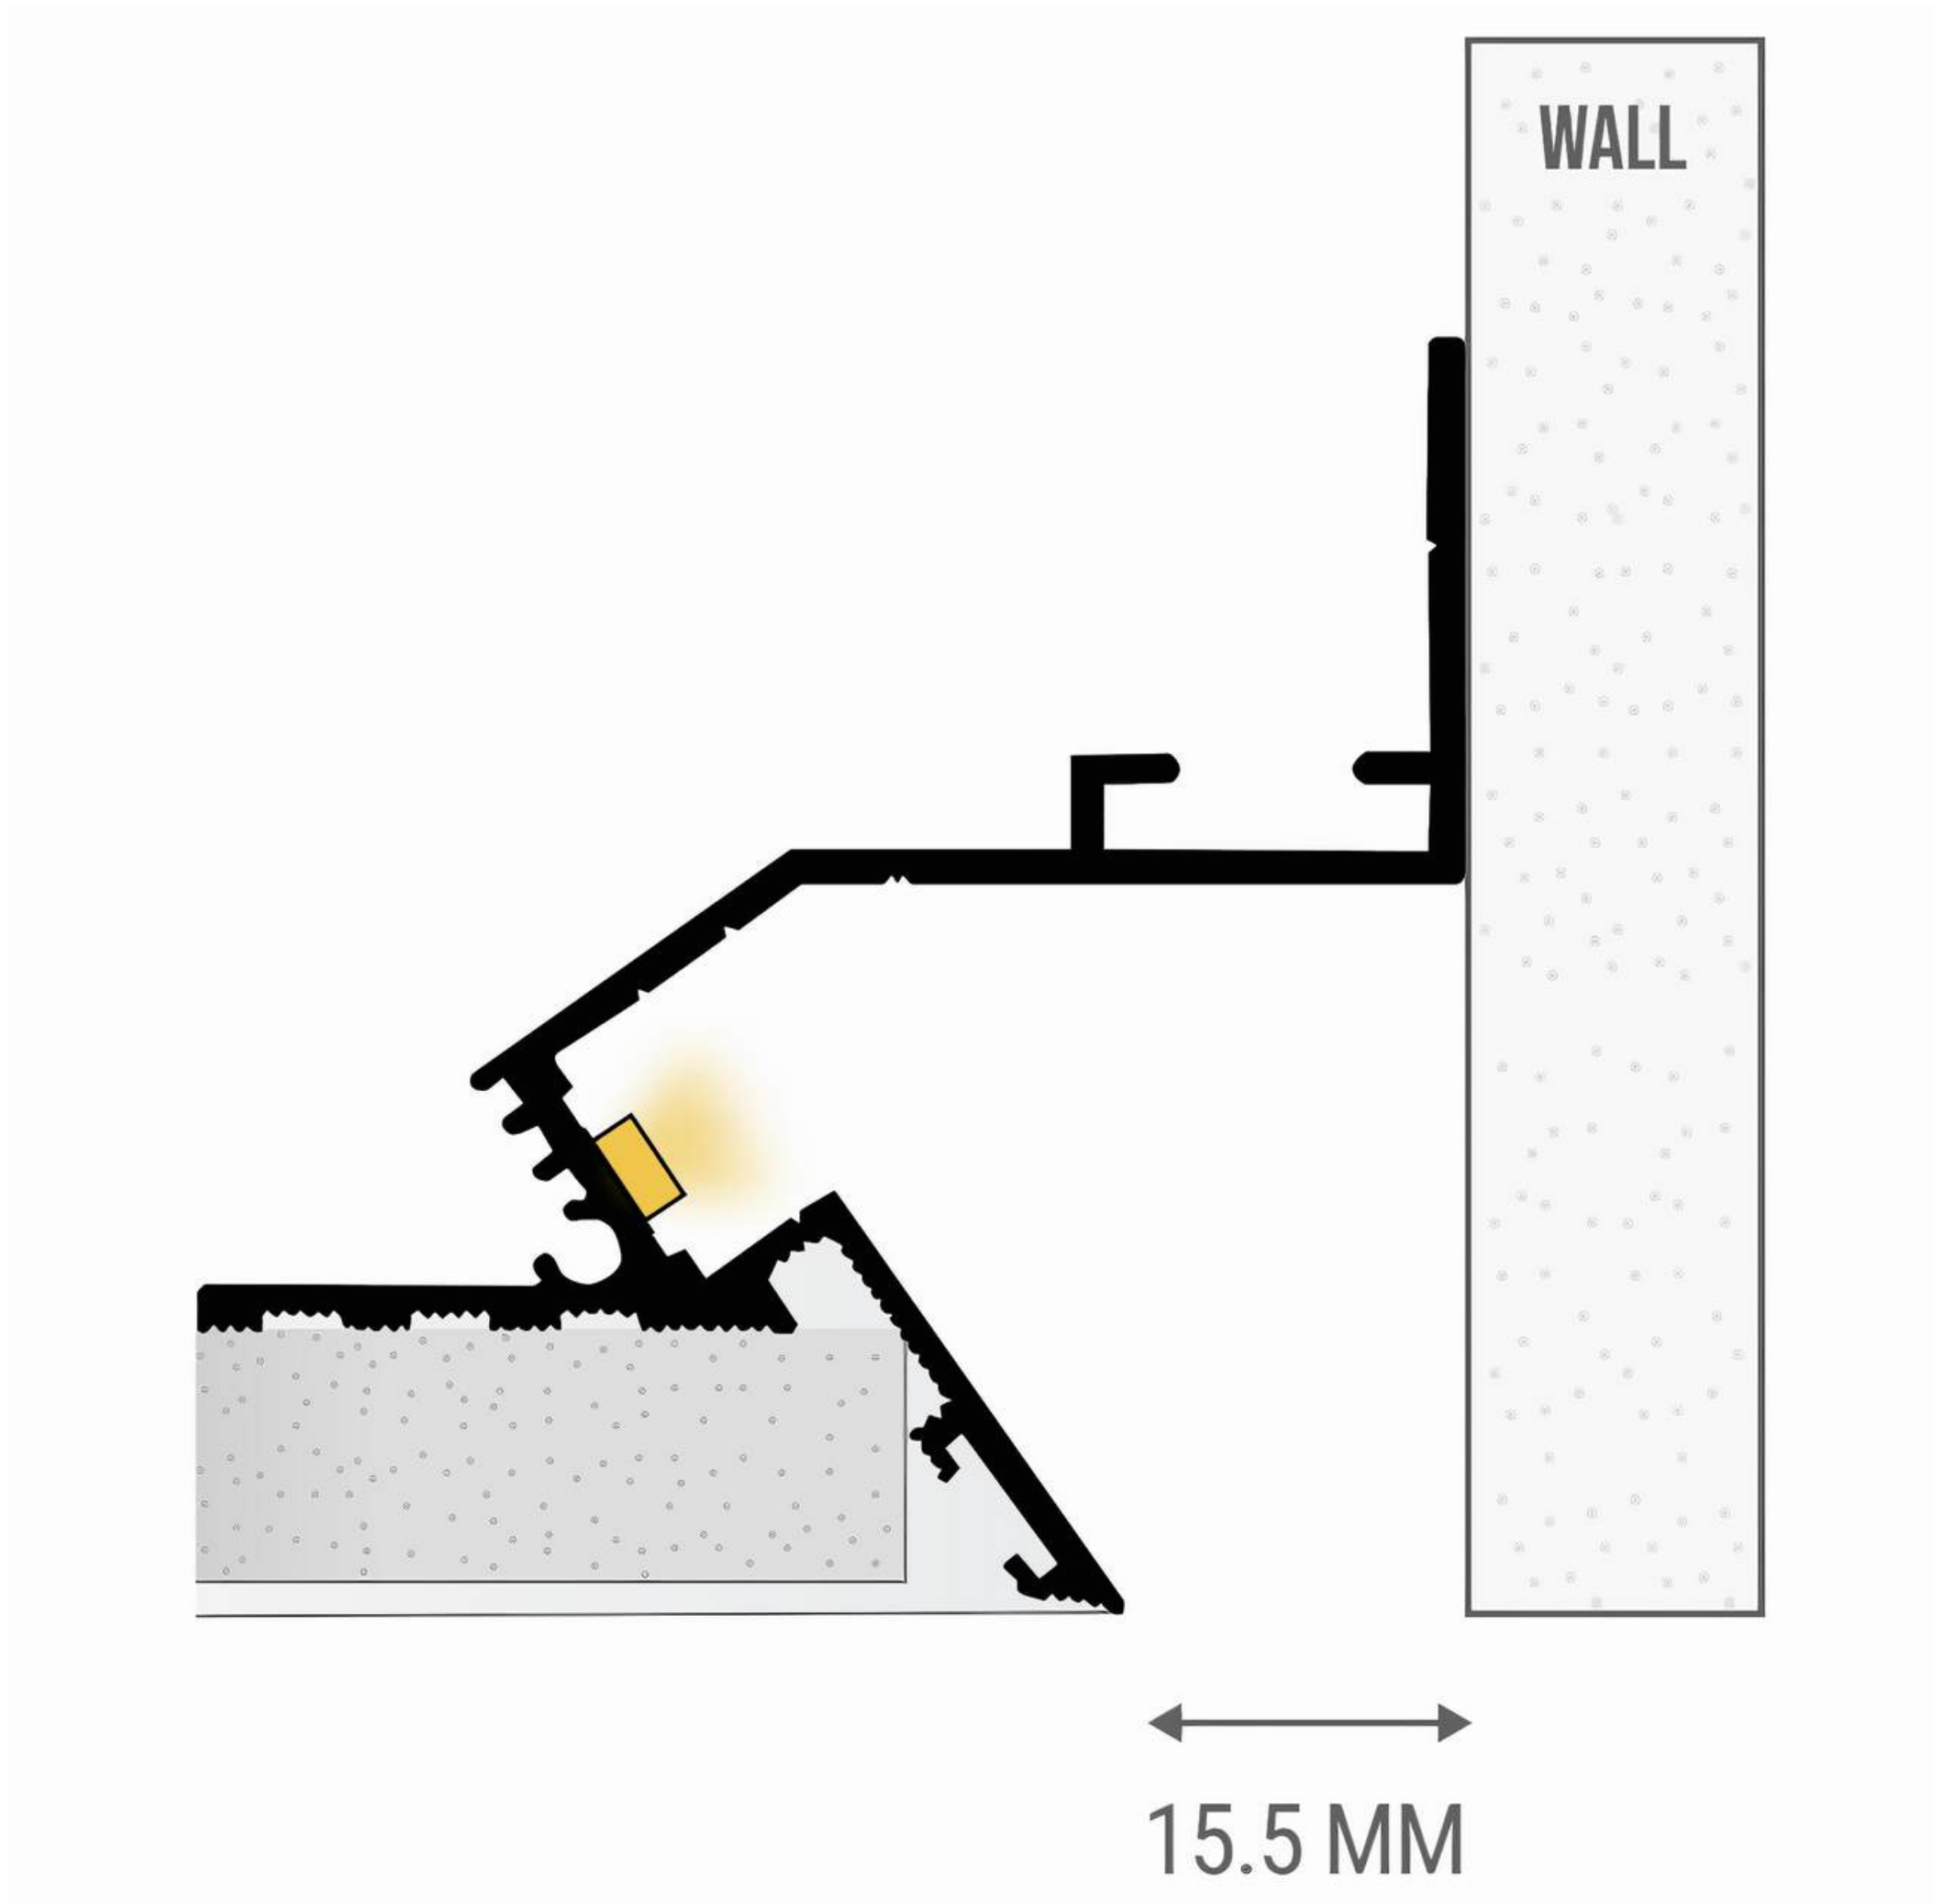

Finish Color:
Black and White

Length: 3 Meters

KEY BENEFITS:

- Creates a slim, uniform line along the ceiling perimeter once installed.
- Gives the appearance of a floating ceiling.
- Works with or without a concealed light strip.
- Matte profile finish blends seamlessly with the main ceiling color.
- Easy connections at joints and corners guarantee a flawless finish.

A sleek and practical option for smooth ceiling-to-wall transitions, achieving a refined 15.5 mm aesthetic gap.

SHADOW GAP - STANDARD | PROFILE

Standard | Profile

SHADOW GAP - STANDARD | PROFILE

Application: Ceiling

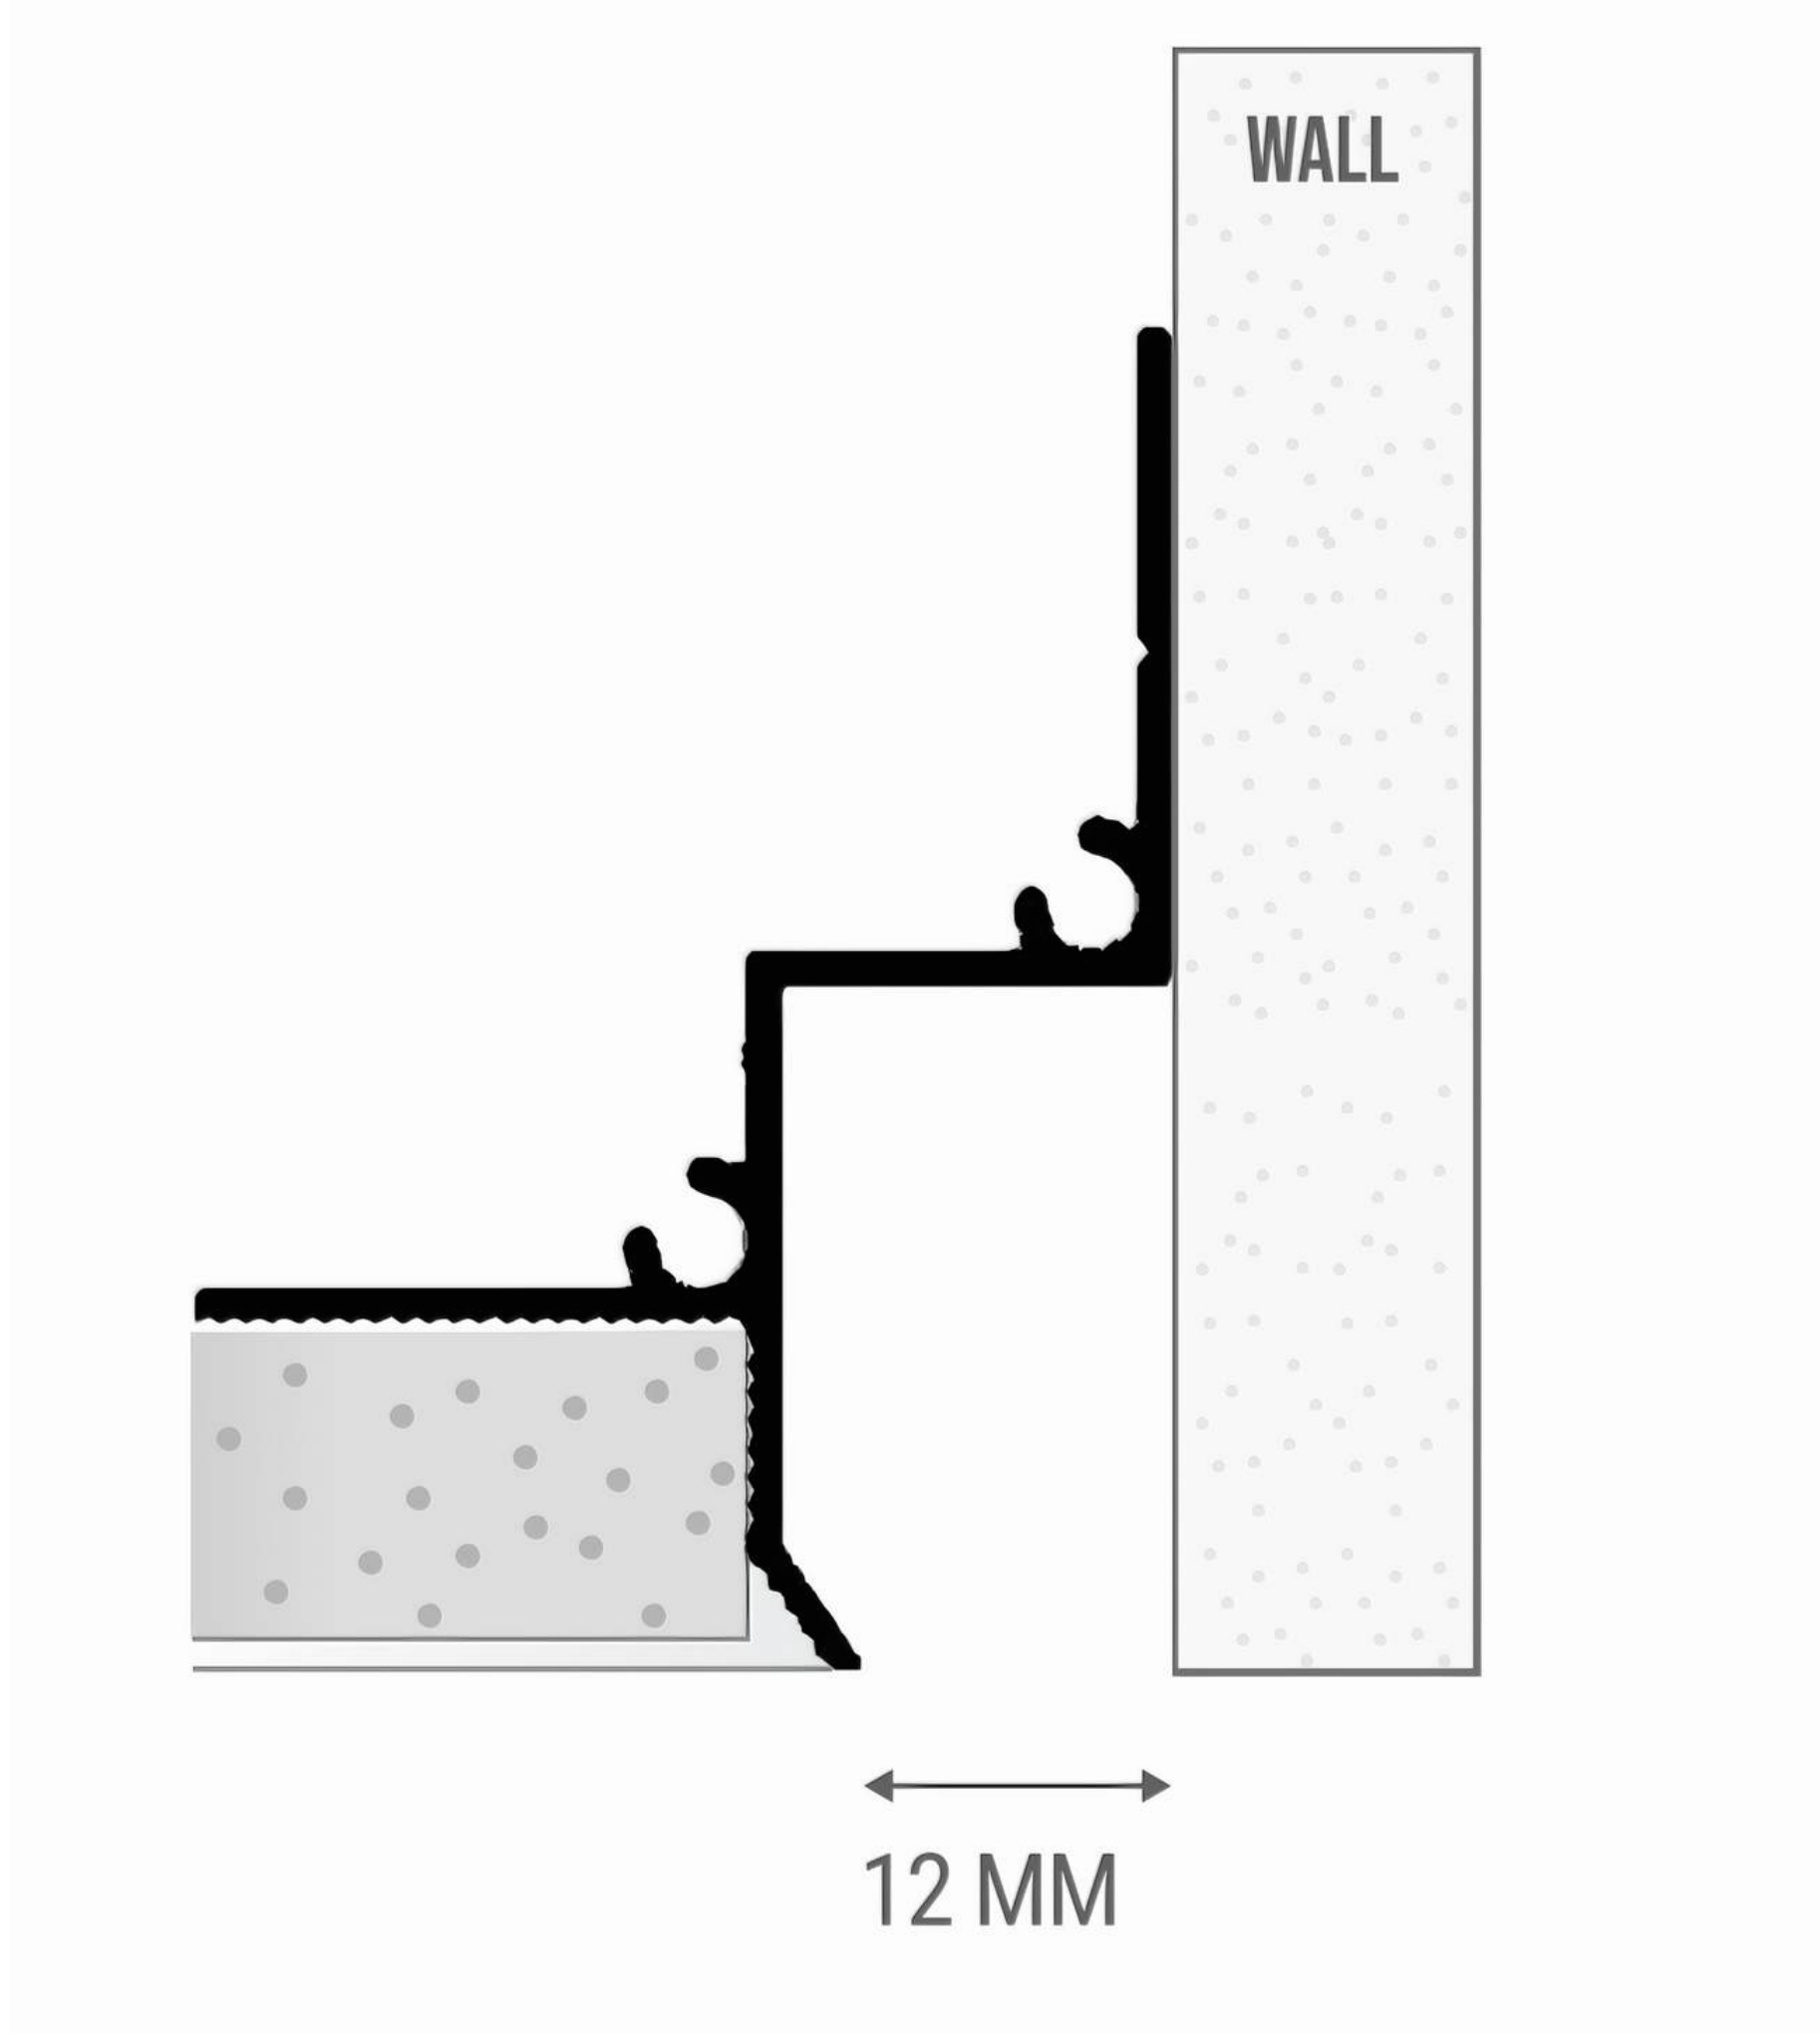

Finish Color:
Black and White

Length: 3 Meters

KEY BENEFITS:

- Creates a sleek, uniform line around the ceiling's edge.
- Produces a floating ceiling appearance.
- Supports the installation of an 8 mm COB light strip.
- Matte profile finish integrates smoothly with the ceiling color.
- Easily joins at the seams for a seamless finish.

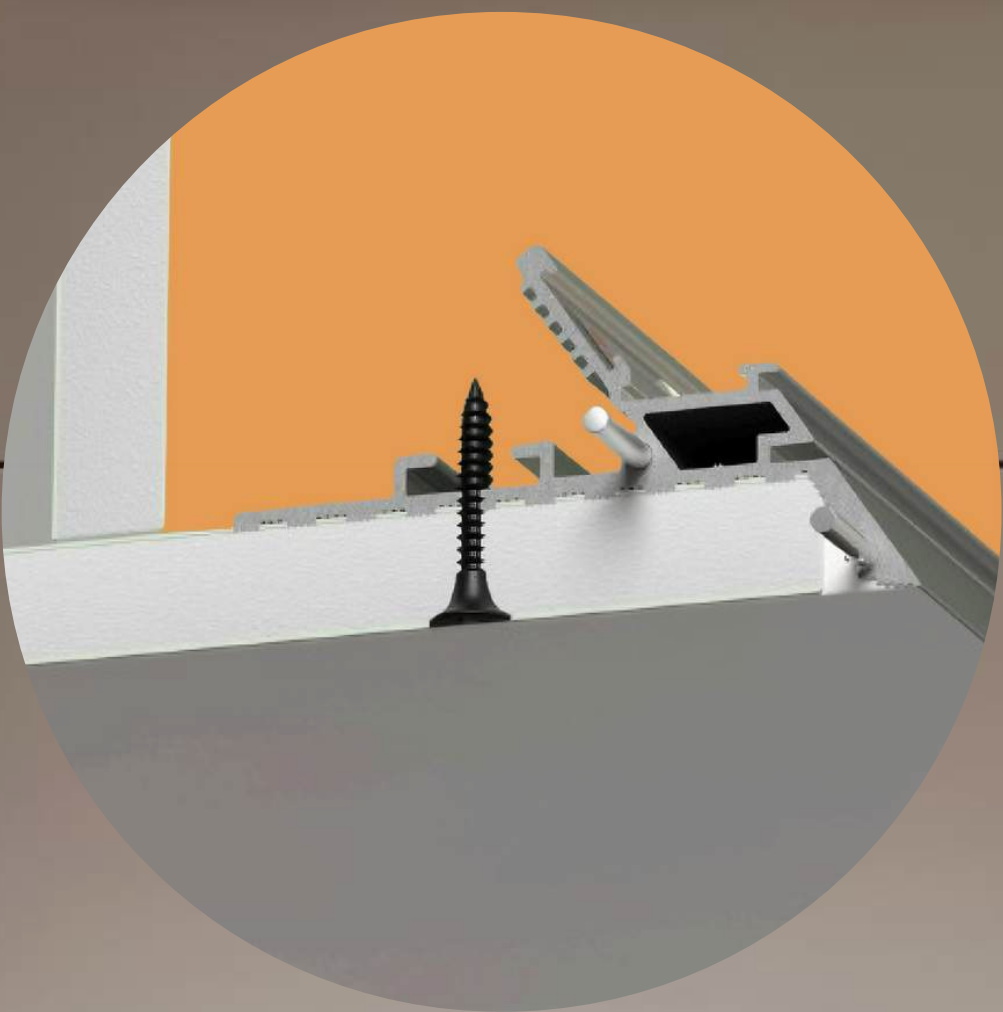

Perfect for areas without lighting needs, this profile forms a subtle 12 mm gap between the ceiling and wall for a polished look.
